The programme for the Annual Workshop is nearing completion. Full details of plenary sessions and small group/workshop sessions and a booking form can be found on pages 15-18.

Please note that the **SSRG AGM** will be taking place at 4.45pm on Monday 27th March. Please refer to the SSRG website for papers, including nominations for EC Officers.

SPSS Training

This is taking place at St Catherine's College on Monday 27th and Tuesday 28th March. Places are still available. The programme and booking form are on pages 19/20.

SSRG: Name Change?

Social Services Departments will soon be a thing of the past. At the EC meeting on 10th January, there was discussion of a name change for SSRG.

Martin Stevens provides further information on page 2. One idea was 'Social Care Research Network', which could quite easily become known as 'SCRAN'. Now there's food for thought!
